

Wolverines Take First In Series Of Playoff Contests

Local Team Plays Again Tonight After Win From Douglas

WEDNESDAY SCORES
Tahoe-Truckee 53 - Douglas 37
Sparks 71 - Yerington 67
Elko 55 - Fallon 44
Winnemucca 58 - Lovelock 46
TODAY'S GAMES
Carson vs. Tahoe-Truckee 8:30
Sparks vs. Hawthorne
Manogue vs. Elko
Winnemucca vs. Reno

by JOHN FIRPO
The Tahoe-Truckee Wolverines ended their basketball season last week as they split two games. First they lost to the loop-leading Manogue Miners 60-53 on their own court.

Then the Wolverines traveled to Stewart where they romped over the last place Stewart Braves, 69-37. Friday, the Wolverines' hopes of another upset were shattered as they came up against a better team. Manogue contained the Wolverines throughout the game as the Miners' defensive rebounding was sensational in the first half as well as in the second half.

The Miners led 14-13 in the first quarter and compiled a 25-22 half-time lead. In the second half Manogue's offense began to click and the visitors stretched their lead to 42-37 at the end of the third quarter. From the start of the last quarter to the end it was all Manogue as the Wolverines' offense couldn't find the range and the Mountain Men went down in defeat at the hands of the Miners, 60-53.

Berger Nelson was high for the evening with 15. Craig Robinson was close on Nelson's heels with 10.

Saturday was a different game altogether as the Wolverines took a 69-37 victory over the lowly Stewart Braves.

The Wolverines led 16-14, 31-20, 49-28, and finally 69-37.

Berger Nelson was high man again with jump shots around the key, which gave the Braves' defense fits. Ken Vaughan and Floyd Cooper were second with 15 apiece.

Yesterday the Wolverines defeated the Douglas Tigers and tonight played the powerful Carson City Senators, whom they had a 1-1 record against earlier in the season. Game time is 8:30 p.m. The score was unavailable at publication time and will be carried in the next edition.

Date Announced For School Voting

One member of the Tahoe-Truckee Unified School District governing board and one member of the Sierra College District Board will be elected Tuesday, May 20, according to notice given by Albert F. Bequette, Placer County superintendent of schools.

The term of Harold Welch of Truckee expires and it is expected that he will be a candidate for reelection on the college board. Fred Pedley is also expected to be a candidate to succeed himself on the Tahoe-Truckee board.

The last date for filing applications for candidacy with the superintendent of schools at Auburn is April 18.

All qualified voters of the school districts who were registered at least 54 days before the election will be eligible to vote, Bequette announced.

The polls will be located at the elementary schoolhouses in Kings Beach, Tahoe City, Truckee and Soda Springs and at the post office in Floriston.

CHAMBER MEETING SET FOR NEXT MONTH

The Friday meeting of the Truckee Chamber of Commerce will not be held tomorrow in view of the fact it was conducted February 14. President N. F. Doley announced. The regular meeting of the board of directors will be held Wednesday, March 12 and the next membership meeting when a speaker will be on hand, will be March 28, Doley said.

DR. AFFELDT'S ARE PARENTS OF SON

Robert Wellington Affeldt, the second, made his debut at the Tahoe Forest Hospital Friday, February 21 to brighten the home of Dr. and Mrs. R. W. Affeldt. The boy weighed 7 pounds, 15½ ounces. Drs. Kenneth Turner and L. D. Nelson were in attendance.

Boy For Bakers

A boy, born to Mr. and Mrs. Leland Baker of Squaw Valley on February 19 in Tahoe Forest Hospital has been given the names of Leland Paul, III. His arrival weight was a compact 6 pounds, 2 ounces.

Visits Loynd Home

Miss Sally Gallaher of Arcadia, roommate of Miss Linda Loynd at Stanford, spent the weekend as a house guest of Mr. and Mrs. W. A. Loynd.

Housing Survey In Area Shows Many Interesting Facts

Many interesting and little known facts on public facilities available on U.S. Highway 40 between Cisco and the Nevada stateline were revealed in a report prepared by R. L. Walker, area sanitarian, for Dr. L. D. Nelson, assistant county health officer.

The report was made as a guide for future development and a copy will be supplied the housing committee for the 1960 Winter Olympics.

In the report, Walker points out there are 43 restaurants, with seating capacity for 2100 people; 17 motels, with a total of 135 units; 15 dormitories to accommodate 910 persons; 14 lodges and motels with a total of 305 rooms; three private trailer parks with 125 sites; state parks provide 104 campsites and three federal parks.

The complete report lists 23 gasoline stations and gives the number of toilet facilities, the water supplies, sewage disposal systems, garbage removal projects and much other pertinent information to serve as a guide for both housing and sanitary purposes.

The completeness of the report is shown in the listing of the restaurants, hotels, motels, trailer parks, their ownership, addresses, capacity of each and the number of restrooms for both men and women.

Even the ownership and addresses of owners of the service stations provides officials with one of the most accurate reports possible to secure.

College Site Void, Opinion Declares

AUBURN—Placer County District Attorney Al B. Broyer ruled Monday the action of Sierra College trustees in selecting a new college site is void.

Broyer based his ruling on an opinion from Attorney General Edmund G. Brown which declared: 1. Money for the purchase of a new site must be in the county treasury before the site is established.

2. If the school board is not unanimous in selecting a site, the locations in question must be rated by the state department of education.

The attorney general's opinion pointed out the money for purchase was not in the treasury, although \$3,040,000 in bonds had been voted when the college trustees chose a site one and one quarter miles north of Loomis, Placer County.

He recommended the college board:

1. Rescind its action in selecting the site.
2. Advise the state department of education of the proposed five sites and ask that the locations be rated.

3. Either choose the number one site recommended by the state department by at least a majority vote, select one of the other four sites by a unanimous vote or have an election of the people in the countywide district to determine the choice.

KASPIAN CHAIRMAN OF RED CROSS DRIVE

George Kaspien was again named chairman for the Red Cross fund drive, scheduled to start here on March 1. Kaspien will select the committee to work with him on the worthy project, it was decided at the February 21 meeting of the board of directors.

Mrs. Fred Pedley was elected as chairman for the organization for the coming year with Earl Stice, treasurer and Ed Trask, secretary.

March 28 will be the next meeting date of the group. Others present included Harry Eaton, Mrs. Elmer Brown, Father Patrick O'Neill and Dr. Ben King.

WATER USERS REJECT COUNTY SALES TAX

NEVADA CITY — Continuation of their firm stand for a 50-50 split of any revenues taken in within the cities if the county passes a one-cent sales tax was made by members of the Nevada Irrigation District Water Users Association at their regular meeting in the Rough and Ready L.O.O.F. Hall.

A heated discussion was set off when Guy N. Robinson, supervisor from the 4th district, appeared to ask the group their views on the desirability of such a county tax.

Headed by Eugene Walter, Jack Bixler and others, the majority voted to stand on the 50-50 with no acceptance of less.

Truck Driver Dies, Others Injured In Weekend Wrecks

Dump Truck Plunges Off Grade; Car Crashes Into Bridge

Byron L. Bower, 35, Reno, was killed Monday at 1:40 a.m. when he was thrown from a huge dump truck a mile west of Floriston on Highway 40.

Bower was driving the 10-wheel truck east when it apparently struck a rock on the roadway, causing it to go out of control. Bower, according to the California Highway Patrol's investigation, was thrown 115 feet through the air and landed on the pavement.

The truck left the highway and plunged down an embankment a distance of 500 feet.

The body was taken to the Truckee Colonial Mortuary and later removed to Reno for funeral services.

William Lawrence Fletcher, 40, and Velma Wise, 33, suffered injuries Tuesday morning at 11:10 when a car driven by the former crashed into one of the twin bridges near Boca.

Fletcher and Mrs. Wise were en route to Reno where they planned to be married and were accompanied by two children, one the daughter of Mrs. Wise and the other Fletcher's daughter. Neither of the girls were hurt.

Fletcher told the California Highway Patrol his car hit some loose snow, causing it to get out of control and crash into the bridge railing. Both the injured were taken to the Tahoe Forest Hospital by Truckee ambulance.

Two passengers in an auto wrecked on Highway 40 west of Reno early Friday morning escaped with only minor lacerations. The driver was not hurt.

Treated at Washoe Medical Center and then released were Lorraine Seagram, 28, of Sacramento and Earl F. Brown, 29, of Soda Springs.

Driver Max E. Charles, 50, also of Soda Springs, told sheriff's deputies he was driving toward Reno when he lost control of his car while reaching into the back seat for a coat.

White Sells Local Insurance Agency

C. B. White, veteran Truckee insurance agent announced this week that he has sold his insurance business to Carroll Z. Smith of Truckee.

The retired bank-manager and civic leader at the same time expressed his gratitude to his many patrons for their loyalty and continued business dealings and voiced the hope that they would continue their insurance business with his successor whom he described as a capable, efficient and friendly agent.

White had been in the insurance business for 54 years in this community. Smith came here two years ago and a year ago bought the business of the late R. N. Little, later purchasing the Leon Barker, and Ruth Droste insurance business at Tahoe.

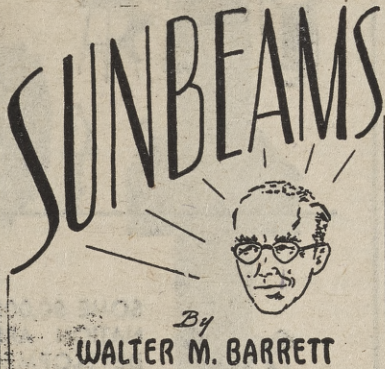

EASTERN STAR WILL HOLD MEET TUESDAY

There will be a regular stated meeting of the Eastern Star on Tuesday, March 4, at the Masonic Temple Anona Loynd, L. Miller and Dan Anderson as presiding officers. All members are invited to these meetings.

On March 3, Worthy Grand Matron Grace Hoffman and the Worthy Grace Patron George Danielson of the Grand Chapter of the O.E.S. of California will make their official visit to the 12th District in Grass Valley. This district includes O.E.S. Chapter in Camptonville, Grass Valley, Nevada City and Truckee. All members and officers are urged to attend this important meeting.

BIG DAMAGE SUIT IS REPORTED SETTLED

A scheduled personal injury trial for \$141,000 for Nevada County Superior Court is off as the parties settled out of court last week for an undisclosed amount. The case was that of June and Riley Kelly versus Arnold Harragon for injuries sustained September 23, 1955, in an accident on Highway 40 two and half miles this side of the Nevada stateline.

During the coming two years this area should have the busiest period of its history, as hundreds of people flock to the community to engage in the various building projects scheduled. Whether the communities will profit fully from this influx depends largely upon its ability to provide housing facilities and other required services. The chamber of commerce will do all it can to fill the needs, but to accomplish a really worthwhile job, the full cooperation and support of everyone interested is needed. As one of the first steps, the chamber officials urge all property owners who have homes of any kind to rent or lease to list them with the chamber so that families seeking homes may be advised of the selection available. Close cooperation with the chamber on this will help materially in keeping much of the expected payrolls in the area. Proper reception for our newcomers and provision of adequate services will also result in many of them becoming permanent residents. Naturally, the housing in this vicinity is limited, but full use of what is available will certainly help the entire area.

TWO FILE NOTICE TO BE CANDIDATES IN LOCAL JUDGE RACE

That there will be a contest for the judgeship of the Truckee Judicial District Court was indicated this week when the incumbent, Posten W. Wilson and Roy Waters, Truckee deputy sheriff, both filed notices of intention to be a candidate for the office with County Clerk John T. Trauner.

Formal nomination papers need not be filed until next month.

Both candidates are well known here where they have spent most of their lives.

Earl Stice, S. P. employed, who also qualified through a recent examination to become a candidate had not filed his intention yesterday. Tomorrow, Friday, is the final date for such action.

PLACER COUNTY WILL HAVE NEW BOAT LAW

AUBURN—A boating ordinance designed to promote safety and provide uniform regulations for the operation of small craft is scheduled to be presented soon to the board of supervisors.

Sheriff William A. Scott said he and District Attorney Al B. Broyer met with boating club representatives and officials from the state division of beaches and parks to work out details of the measure.

A similar meeting is expected to be held at Lake Tahoe next month, Scott said, before the ordinance will be in shape.

In addition to the safety and uniform procedure sections the sheriff stated, the ordinance will provide for the numbering and registration of boats with the county assessor.

GAME MANAGEMENT MAN TO WORK HERE

George Wurst of the state game management has been assigned to this area and will work with Erwin Single, game warden.

Wurst plans to bring Mrs. Wurst and their four children from Colusa when they are successful in finding a dwelling.

EAGLE RACE PLANNED AT BOWL MARCH 9TH

SUGAR BOWL—Weather and snow conditions permitting, the first Standard Eagle race off Mount Disney will be run Sunday, March 9, Sugar Bowl Manager Walter Haug announced.

This race is sponsored by the Sugar Bowl Ski Club and is open to all skiers, both members and non-members.

The diamond eagle will be awarded to men making the course in one minute or less for both men and women. The gold award is for men making the course in 1.15 and to women under 1.40; the silver for men, 1.55 and women, 2.15, and the bronze for men 2.40 or less and women 3.30 or less.

The Sugar Bowl team will compete in the Sacramento Bee trophy race at Donner Ski Ranch on Sunday, March 2.

Major Storm Adds 17 Inches Snow To Truckee Pack

Temperature Drops To 2 After Series Of Rain, Snow Storms

Just when it appeared that this area was in for an early and beautiful spring, with flowers blooming in some yards and the temperature up to warm 55 degrees, one of the worst storms of the season developed and brought a total of 3.44 inches of precipitation and added 17 inches of new snow.

After a downpour of torrential rain on Monday, with winds estimated in excess of 80 miles per hour, snow fell throughout the region, bringing delight to winter sport enthusiasts.

Henry Toccalini of the U. S. Forest Service said the total precipitation for the month of February is 8.58 inches, compared to a normal for the month of 5.29 inches, or 3.29 inches over normal.

Strangely, the normal for the season has also been exceeded by 3.29 inches. Thus far during the year, 22.72 inches of moisture have been recorded compared to the 19.43 inch normal.

There were 38 inches of snow on the ground here yesterday. The highest temperature for the week was on Friday with 55 degrees and the low was this morning with a chilly 2 above zero.

The storm did little damage in the area, although several trees were uprooted or broken off by the wind. A 5-minute power failure Monday night was also blamed on the storm.

Truckee Girl Wins Idaho Dog Derby

Sandra Van Sickle, 14-year-old Truckee girl, won first place in the Powder Puff American Dog Derby February 21 at West Yellowstone, Mont.

The attractive trophy was given after the spectacular race with Taighee hounds, where older contestants had vied for honor.

Sandra who is the third generation of Van Sickle's to take up the interesting hobby of training racing dog teams, ran the course in the name of the Donner Ski Ranch on Donner Summit.

Mr. and Mrs. Lloyd Van Sickle and their sons, accompanied Sandra to Montana.

PARK ATTENDANCE SHOWS BIG INCREASE

From an attendance of 132,380 in 1954, the number of people visiting Donner Memorial State Park jumped to 174,671 last year, according to a report from Newton B. Drury, chief of the division of beaches and parks.

This comparison was made in a report which shows that attendance at state parks was up 26.2 percent for the last calendar year.

The D. L. Bliss State Park showed an increase in attendance of 84,597, compared to 67,390 in 1954, while for the same period attendance at the Emerald Bay Park went from 9561 to 50,132. The Tahoe State Park went from 21,697 in 1954 to 37,392 last year, the report indicates.

THEFT OF JEWELRY ON SUMMIT PROBED

Nevada County sheriff's officers are currently investigating a report of the theft of a large amount of jewelry allegedly stolen from two Las Vegas women over the weekend at a Donner Summit ski resort.

The local office received a telephone call last week from a Mrs. Sonja Holland from Las Vegas that while she and her daughter were guests at a lodge over the weekend they were robbed of a large amount of valuable jewelry. Officers said they are investigating this report although it was not made until almost a week after the alleged theft occurred.

Party Hostess

Mrs. Jack Neugebauer was hostess Thursday evening at a card party.

Home Again

Mr. and Mrs. G. E. Lewis and son, Courtney, returned recently from a trip.

Wanne Patient

Hap Wanne, well known local man has been a patient at Tahoe Forest Hospital for some time. His friends are hoping for his recovery of health.

Trip To Boise

Mr. and Mrs. Harold Langille were recent visitors at Boise, Idaho.

Fish Planting Will Be Discussed At Meeting Monday

Sportsmen Are Urged To Attend Meeting Here On Monday

Officials of the California Fish and Game Department will be here Monday, March 3 at 7:30 p.m. at Capitol Hall to discuss local problems with the Truckee Outdoor Sportsmen and others from the eastern sections of Nevada and Placer counties.

Among other things, the department officials will discuss the number of catchable trout to be planted in the streams and lakes of this area during the coming year.

Charles Osburn, vice-president of the local organization has pointed out the need for many more fish than in the past years due to the anticipated increase in population and the heavier demand upon the streams.

"With the increase in costs of licenses, designed to provide more services for the fisherman, there is no reason why this area, which can look for double the pressure on the streams, should not have at least double the number of catchable trout," Osburn declared.

The local club official declared that the only way to impress the fish and game department with area needs is to turn out in large numbers next Monday and make the demands heard.

Trout Season
The fish and game commission proposes no changes in the seasons on trout. This means that the general summer season will open here May 3, with the exception of Donner Lake which will open March 29. With passage of the controversial Truckee River bill during the last session of the legislature, there will be no restrictions on that stream this year.

Hauk Named On Olympic Group

Gov. Goodwin J. Knight Friday announced the appointment of A. Andrew Hauk, of Pasadena, to the California Olympic Commission, to succeed Reese H. Taylor, Pasadena, resigned, for a term at the pleasure of the governor.

Hauk, an attorney, received his J.S.D. from Yale Law School in 1942. He was graduated from Regis College, Denver, Colo., in 1935, and from Catholic University of America, Washington, D.C., in 1938. He is a member of the Los Angeles, State, and American Bar Associations and is active on committees of the Los Angeles Bar.

Hauk was national skiing champion in the 1953 Veterans Class II giant slalom, and served as an official during the 1950 world championships at Aspen, Colo. He is a former vice-president of the Far West Ski Association and has been chairman of its constitution and by-laws committee. Hauk is a member of the National Ski Association and the National Ski Patrol System, and is secretary of Southern Skis.

He is a member of the state and local government committee of the Los Angeles Chamber of Commerce.

TROPHY AWARDS TO BE MADE AT MEET

Trophies will be awarded this evening by the Truckee Athletic Club for the completed 1957-58 basketball season at an eight o'clock dinner to be given in Cozzi's Cafe.

First winner of the tournament was Brown's Restaurant team, Marler Marauders, second place and 20-30 Club, third place.

Pat Anderson, president, said that all players and guests have been invited and she wishes to thank those who made it possible to play the series of games.

ROTARIANS TO MEET WITH SPORTSMEN

Next Monday night's program of the Truckee Rotary Club will be held in conjunction with a meeting of the Truckee Outdoor Sportsmen and others in this district to hear a report on the forthcoming fish planting program by officials of the fish and game department. The meeting will be held in Capitol Hall at 7:30 p.m.

Percy H. Taft, official with the Casualty and Surety Companies since 1948, spoke before the club at Donner Lake Lodge Monday. President Dick Swanson was in charge of the meeting and Fosten Wilson was program chairman.

Dominquez Have Son

Mr. and Mrs. Avaristo Dominquez of Truckee made the parents of a son in Tahoe Forest Hospital February 23.

The given name of the infant is Richard and his first weight was 7 pounds, 5 ounces.

See Flooded Area

Mr. and Mrs. James Walker and family spent the weekend at Lakeport where they witnessed some of the results of the floods in the area.

NOTICE OF TRUSTEE'S SALE

ed thereby, heretofore executed
and delivered to the undersigned,
a written Declaration of Default

COLLEGE SITE ROW
REFERRED TO D. A.

Sierra Junior College District
trustees formally referred to Dis-
trict Attorney Al B. Broyer of
Placer County the informal op-
inion regarding the legality of the
selection of a junior college site,
and decided to proceed with their
Friday hearing before the Placer
County Planning Commission on
the proposed Penryn-Loomis site,
known as the Law property.

Willard Dietrich, chairman of
the college board, was named to
make the presentation to the plan-
ning commission.
It was decided to defer sale of
the bonds to finance the site and
college building program until the
district attorney's opinion is re-
ceived. However, Superintendent
Harold Weaver was authorized to
proceed with preparation of de-
tails on the brochure for sale of
the bonds, studied at Tuesday's
meeting.

It was also voted to meet with
the Placer Joint Union High
School Board on March 11 to dis-
cuss transfer of equipment from
the high school to the college dis-
trict.

Weaver announced applications
are being received for faculty
posts next school year. He stated
the football coaching position has
had some applicants, but that the
position is wide open.

Due to inclement weather, the
appraisal reports of Chester Hatch,
E. A. Grey, Jr. and T. J. Pugh will
not be available on the Law site
immediately, but they are proceed-
ing with the work, it was an-
nounced.

and Demand for Sale, and writ-
ten Notice of Breach and of elec-
tion to cause the undersigned to
sell said property to satisfy said
obligations, and thereafter, on Au-
gust 14, 1957, the undersigned

Post Story Relates
Olympic Problems

Some of the trials and tribula-
tions encountered by those charged
with providing the 1960 Winter
Olympic Games are recounted in
an illustrated article in the Febru-
ary 22 issue of the Saturday Eve-
ning Post.

The article, written by Melvin
Durslag, is entitled, "The Great
Winter-Olympic Fight." "This in-
side story tells how a wily Cali-
fornia promoter snatched the 1960
winter games from the outraged
Europeans and located them in an
obscure western valley."

Illustrations show a group of Ta-
hoe City young women displaying
banners printed "Cushing for
President" and "Wow! We did it,"
etc., pictured when announcement
was received that the games had
been awarded Squaw Valley. Other
photos show Alex Cushing and
Wayne Poulsen, controversial fig-
ures in the program and a dia-
gram of the proposed facilities.

The article is neither for or
against the games, but is basically
factual.

In writing of the outcome of
the decision to award the games to
Squaw Valley, the author says:

"In California there was jubilant
headlines. Champagne toasts
were drunk to Cushing, the super-
salesman. Then the roof fell in.
The state quickly discovered that
it had a sputtering bobcat by the
tail."

This is explained in the fact that
the costs mounted, additional funds
were found necessary. Squabbles
developed over lands and the or-
ganizers were faced with an un-
precedented problem. Once com-
mitted, however, no one backed

RECOMMENDATION ON
RIVER WORK MADE

The California Water Commis-
sion has approved conditional
recommendations for assurances to
the U. S. Army Corps of Engineers
in connection with design work on
the federally authorized Truckee
river flood control project in Cali-
fornia and Nevada.

The resolution said the local as-
surances required by the engineers
had not been forthcoming because
of the complexities of the area
served and the interstate nature
of the project.

In its resolution, the commis-
sion recommended to the depart-
ment of water resources that:

(1) Immediate efforts be made
to form a local district in the area;
(2) An investigation be made
into responsibilities of the division
of highways in protecting state
highways in the area;

(3) State maintenance of flood
control projects be undertaken
when the benefits are divided
among several counties and two
states, only on a temporary basis
to expedite construction.

Asks For Expert

The Soroptimist International
Club of Colfax, at their meeting
February 13, voted unanimously
to recommend the acceptance of
the resolution submitted by the
Colfax Area Chamber of Commerce,
that a qualified and unbiased ex-
pert be appointed toward the se-
lection of a site for the new Sierra
College.

down and plans are progressing as
rapidly as possible to present the
best winter Olympics ever held.

CHARLES OSBURN, Manager

STRICTLY STRICKLAND

By Bill Strickland

Truckee-Tahoe High School was the winner in what turned out to be a dual meet at Cisco on Washington's birthday. The meet, between several of the colleges and junior colleges, and supposedly between five high schools was held over the weekend. South Tahoe, LeeVining and Reno high were expected to attend but did not show. At this writing the inter-collegiate results are not available.

Placer High School of Auburn, though, and T.N.T. completed their portion on Saturday. Tahoe-Truckee swept the first four places in cross-country for a total of 100 points. Placer scored 86 points in cross-country. In the jumping it was almost a complete reversal however. Placer placed one, two,

and three, and had it not been for Kit Schull's fine showing for a four place, Placer might have succeeded in taking the combined and the meet. Kit's fourth salvaged enough, though, so the final standing was Truckee-Tahoe—189, Placer Union, 186.

Bob Strickland led the way in the cross-country with a fine 29:11 for the 3 1/2-mile course.

This area has the makings of some pretty fine Nordic competitors—to bad they aren't given more opportunities. Coach Goodrich has produced an outstanding team this year and certainly is entitled to a lot of credit for a successful ski season.

We've often wondered why the business people in the area haven't taken a firmer stand in the planning of the 1960 Olympic games and why they haven't suggested alternate locations which might make the outcome much more satisfactory. I've talked to many, many of them. I've heard their comments, but I've never seen any evidence of their ideas being presented or carried out.

One example, alone, causes a general consensus to be found, that, building and holding the ice events in a separate area would not only insure their success, but would also afford years of endless pleasure to the masses. If that portion of the games alone were located in another area, it would eliminate the terrific traffic and parking problem that will be acute. It would eliminate the need for a loop highway, which is being opposed by Wayne and Sandy Poulson at the present time. It will eliminate the need of attempting to compact the snow and parking on the surface. What will work in Antarctica or Thule certainly shouldn't be figured as having possible success here—experimental

or not. Anyone who has lived here for 20 or 30 years knows conditions pretty well and also know of the many bottlenecks that can be caused by unknown factors.

Four-laning of Highway 40 from Donner Lake to the Nevada state-line will be completed by the fall of 1959. Would it not be much more equitable to build the ice arena, stands, speed oval and all allied necessities on the present Donner Memorial State Park site where it will be seen by thousands of transcontinental travelers? Where permanent parking facilities can be constructed at the same time as the highway is being constructed? Where thousands would be able to view or participate? And which would be permanent fixture without condemning anyone's property or cutting it up? We've heard also that bob-sledding may be eliminated because of the necessity of building a refrigerated run. Have you ever noticed the ice on the power flumes in the Truckee River Canyon? No refrigeration there. That's at an elevation of less than 5200 feet. What would be wrong with building a course down the

Old South Donner Run? If you've noticed it, to your right, as you came down the Summit, you know that it is in the shade all the time. It affords a vertical drop of 1200 feet in two miles, and let me tell you, if you took it wide open, it could scare you right out of your pretty non-grey hair. The run, in the event of non-freezing weather, could be surfaced with purchased ice blocks at a fraction of the refrigeration costs. The present highway will serve as an ideal sled pull-back via flat bed trucks. Thousands of spectators would be able to see the course from the comfort of their cars parked along the roadway.

I heard also via the local swinging vine, about the young man from Austria, who has been retained by the committee, to come to this country and set the different race courses. He was quoted as saying he could do his job in 10 days. I can't see the need for imports; I think we have many locals who would be much more capable and efficient, locals who have forgotten more than this

RECIPROCAL TRUCK LICENSE APPROVED

California and Nevada have agreed to waive non-resident vehicle registration requirements for owners of single trucks weighing five tons or less which are based and operated in a border zone extending 50 miles on either side of the boundary line.

Adoption of the agreement was announced by Paul Mason, chairman of the California Reciprocity Commission. For Nevada the agreement was signed by Robert A. Allen, director of the department of motor vehicles.

The agreement will not apply to vehicles operated on a fore-hire basis. Those eligible will be permitted to operate in the zone upon registration in the home state.

WRONG SIDE DRIVING MAJOR ROAD PROBLEM

SACRAMENTO—Driving on the wrong side of the road is fast becoming a major problem on California highways according to information released today by the California Highway Patrol.

"Each year an increasing number of drivers are involved in accidents while driving on the wrong side of the road," declared Patrol Commissioner B. R. Caldwell. "During 1956 a study of 'wrong side of the road' accidents revealed that there was one fatal accident for every 11 injury accidents in that classification.

"A similar study of all fatal and injury accidents for the same year shows that there was one fatal accident for every 27 injury accidents, indicating that driving on the wrong side of the road is one of our more deadly violations," Caldwell stated. "Some of the causes of drivers drifting across the center line are excessive speed on curves, asleep at the wheel, under the influence of alcohol, fatigue, and failure to keep alert.

"Keeping on your side of the road will help you avoid head-on collisions, side-swipe crashes, similar errors by other drivers, and give you a better chance of completing your trip without an accident."

COUNTY FAIRS ARE NOT MAKING MONEY

That the state's county fairs are a losing proposition financially is shown in 1958-59 budget submitted to the state legislature this week by Gov. Goodwin J. Knight.

The Capitol News Service at Sacramento reports the Nevada County Fair at Grass Valley will cost \$70,014 this year and that the anticipated revenue will be \$12,385.

The Placer County Fair held at Roseville provides about the same dim picture, the cost being estimated at \$80,886 and the hoped-for income \$24,425, the CNS says.

The 20th District Fair at Auburn is budgeting for \$76,947 and the anticipated revenue is \$17,210, according to the report.

In the Hawaiian Islands the Washington or California fan palm is known as the "hula palm."

The imported fire ant is believed to have come to the United States in cargoes from South America.

juice box

SHE STARTED SOMETHING — this win-
some chauffeur of 50 years ago! She
sometimes scorching down the road at 20 m.p.h.
(except against a strong wind or when the bat-
teries needed recharging).

But daredevil that she was, our fair heroine
would pale to see her darling daughter as she
pilots the family station wagon through 1958
traffic on her daily rounds to school, supermarket
and train.

And her housewifely duties don't end there.
Sometimes she even helps earn the family income
— always has a big say in spending it. And
whether or not a family has a regular savings
program usually depends on her.

That's why so many women are the instigators
of a regular investment program in U. S. Savings
Bonds. They know that U. S. Series E Savings
Bonds are one of the best investments a family
can make. The principal invested in Bonds is
safe. The returns are sure. And now every Series
E Bond pays a new, higher interest — 3 1/4%
when held to maturity!

If you're one of today's daring young ladies
of the flying horsepower, you undoubtedly take
an active interest in your family's future finan-
cial security. Remember — one of the best ways
to do something about it is to encourage your
husband to start investing regularly in Savings
Bonds today!

Part of every American's savings
belongs in U. S. Savings Bonds

donation, the Advertising Council and

TACTICIANS—In this typical post-World War II scene at Fort Leavenworth, Kans., two Belgian Army officers (center) and their American classmates at the Command and General Staff College, work out a map problem as their homework at the Army's top tactical school.

public is invited.

Thursday evening at 7:30 choir practice will be held. Any who are interested in singing are welcome to come. The choir will be working on music for the Easter season as well as special music for next Sunday's service, "King of Glory, King of Peace," by Eric Thiman.

At 9:45 Sunday morning Sunday school will be held with classes for all ages. This Sunday Rev. Hanson is initiating a preparatory class for young people who are interested in church membership.

At 11 a.m. the regular Sunday morning service will be held.

TRUCKEE BIBLE CHURCH

Last Wednesday evening the group that gathered for power hour celebrated the arrival of a new coffee urn for the church by enjoying coffee and cake after the service. Unfortunately, it was also the occasion of a farewell to Mr. and Mrs. L. N. Mitchell who are moving back to their home in Grass Valley. However, we encouraged to hear of their plan to use their lovely new home and acreage for starting a Christian youth group and also Bible class.

Next Sunday the adult Bible study will begin a new course in the Book of Romans. A text book by Norman B. Harrison will be used to help us in mining the Scriptures.

Last Sunday Pastor Rhoades began a new series in prophecy which will continue several weeks. The "Signs of the Times" is an interesting and thought provoking subject that should be considered in the light of Bible truth.

NOMINEES FOR PUBLIC OFFICE

Notice is hereby given that the following persons have been nominated for the offices hereinafter mentioned to be filled at the TRUCKEE-TAHOE AIRPORT DISTRICT ELECTION to be held in the County of Nevada and County of Placer on TUESDAY the 8th day of APRIL, 1958:

DIRECTORS (Five to be Elected):
Lee H. Apple
Rex Elton Reid
Zephaniah D. Rose
Fred M. Schultz
Walter G. Speeter
Don A. Stumbo, Real Estate Broker

Dated: February 21, 1958.
JOHN T. TRAUNER,
County Clerk of Nevada County.
L. RECHENMACHER,
County Clerk of Placer County.

Tahoe Truckee School News

TRUCKEE ELEMENTARY

KINDERGARTEN: This week we will complete our history booklets which were our social studies theme for February.

We were sorry to say goodbye to Candi Worsham who left us last week.

FIRST: Construction of our store has now begun. Last week we painted boxes. This week we will nail the boxes together and put up the framework for the roof.

The following students have completed the pre-primer books and are now reading "Fun with Dick and Jane." Carol Hart, Anna Marie Collier, Claudia Rhoades, Mary Lou Randall, Elaine Barnes, Steven Kenyon, David Goldsmith, Larry Juliot and Joe Reichlin.

FIRST-SECOND: We were very sorry to lose two more of our classmates Friday. Jacky Mitchell moved to Grass Valley and Donna Farley moved to Auburn.

Michael Kydd, Kathie Hart, Linda Russell, Judy Ingalls, Elgin Johnston, Darel Sauby, Shirley Davis and Jennifer O'Bear have finished their second, second grade reader.

In recreational reading, those having read over 15 books are Karel Sauby, Judy Ingalls, Shirley Davis and Michael Kydd.

SECOND-THIRD: We wrote letters to Susan Schuler while she was in the hospital.

Those having correct spelling tests were Ronnie Walker, Darlene Doolittle, Bruce King, Dennis Crandall, Henry Frates, Pamela Hornan, Barry Waters, John Gholson, John Clark and Dicky Daniels. Phillip Ridsen, Henry Frates, Barry Waters, John Gholson, John McGlade, Diane Daly, Danny Funk and Susan Schuler have finished reading "Just for Fun."

FOURTH: Spelling deserves comment as 22 out of 29 pupils scored 90 percent or better in the weekly quiz. In art we did further work in learning how to paint trees, making a horizon and sky blend in with the tree. Steve Van Sickle's work shows lots of artistic talent. The highlight of the week was Carroll Maynard's talk on local Indian folklore, instruments, and points of interest. Our thanks to Mr. Maynard. In arithmetic Besio, Douglas, Hintz, Ralphs, Saarni, Straub, and Trainor did commendable work. Following class Friday an inventory of books revealed rate top billing for having very some sad looking desks. However,

Karen Walker and Connie Rhoades had neat desks.

FIFTH: In arithmetic, reports were given on the many uses of fractions in daily life. Those pupils making special study on them were: Michael Sauby, David Saroni, Dennis Douglas, Eddie King, Wade Mosby, Jim Roth, David Watts, Lynn Quarty and Sara Van Sickle.

We sincerely hate to see Ramsay Mitchell leave our class. The family is moving to Grass Valley.

SIXTH: We have been studying about how weather is forecast and what effects weather changes. This week we have two films: "Weather" and "Story of a Storm." We have learned that wind, temperature, humidity, and barometric pressure are a few of the things we must know in order to forecast weather.

KINGS BEACH SCHOOL

Mrs. Price was our teacher today due to Mrs. Louderback's absence.

FIRST: We have a new boy, Kenneth Muschetto. This week we are using our spelling words in sentences. Everyone in our room, except two, made 100 percent in spelling this week.

SECOND-THIRD: In science, we are making a study of different rocks. We are learning how water-made rocks are formed.

THIRD-FOURTH: Our committee work on Indian homes is nearing completion. The Plains Indians project, under the leadership of Wendy Howell, was well done. The Cliff Dwellers, done by Bruce Templeton's group, also showed good planning.

FIFTH-SIXTH: A very excellent project was submitted on Early American household furnishings by the committee under the leadership of Estelle Howell. With only one exception, all have passed a test in multiplication.

TAHOE LAKE SCHOOL
KINDERGARTEN: Our kindergarten is growing in numbers. Karla Mexiner is back and Peter Sutton has joined us. Laura Jean Hoxsie is back from her trip. Mark Wuthmann had a birthday party at school this week.

FIRST-SECOND: In the first grade the following people did very good work in numbers all week: Heidi Allgaier, Heidi Henrikson, Cheryl Bechdolt, Kathy Stowe, Ann Starratt, Shirley Grater, Calvin Bechdolt, Michael Allgaier, Jimmy Henry, Steve Mitchell, Mike Kettenhofen, Shelley Wilson, Brent Bradley, and Mark Calhoun.

In second grade eight out of 10 students in this class made 100 percent in spelling. They were: Erik Henrikson, Mike Burmer, Mike Dempsey, Tommy Hoff, Bro Shontz, Tommy Carnell, Gary Albin and Karin Melxner.

In the speed and accuracy test on combinations in second grade Mike Dempsey was first; Bro Shontz, second and Tommy Hoff, third.

SECOND-THIRD: After exploring the antarctica through geographic's three accounts of Little America and Deep Freeze, a study was made of the penguin.

FOURTH: The following chil-

NOTICE OF HEARING
TO GRANT A VARIANCE
OF SETBACK IN HOMEWOOD,
LAKE TAHOE

Notice is hereby given by the Placer County Planning Commission that a hearing will be held by said Commission on March 14, 1958, in the Supervisors' Room, Courthouse, Auburn, California, at the hour of 11:00 A.M., to consider an application for a variance to construct attached garage of proposed dwelling 0' from easterly edge of right-of-way of State Highway, on Lot 84, Lakeside on Lake Tahoe, as shown on the map thereof of filed in Book A of Maps at page 13, Placer County Records. Said variance is requested because of snow removal difficulties in the winter months.

At said hearing all persons in favor of the granting of said variance and all persons opposed thereto may be heard.

DATED: February 21, 1958.
HARRY STUBLEY,
Secretary Placer County
Planning Commission.
NANCY CAPERON,
Clerk of said Commission.

dren received "outstanding" in the two weekly spelling tests: Paul Cincotta, Jeff McLane, Dick Nielsen, Jackie Obexer, Donald Stowe, Joyce Anderson, Julianne Bechdolt, Alex Cushing, Karen McBride, and Alice Calhoun. In order to qualify as "outstanding," each student must receive a perfect score in the weekly lesson, as well as in words picked at random from preceding lessons. Eight additional children received perfect scores in weekly spelling lessons only.

Cathy Conners was away for the week visiting relatives in southern California.

FIFTH-SIXTH: Mr. Reynolds' class held their election of officers on Monday. The officers and monitors elected for the next six weeks are: President, Greg Moore; vice-president, Eddie Hoff; secretary, Sandra Riggs; hall monitor, Kim Turner; safety patrol, Don Bury and Eddie Hoff.

Those receiving 100 in fifth grade spelling are: Jayne Shontz, Don Bury, Eddie Hoff and Penny Clarke; and in the sixth grade: Joe Hoxsie, Kim Turner and Sandra Riggs received 100.

Both grades are working hard especially on English and arithmetic.

SCHOOL DISTRICT MENU

March 3 Through March 14
Monday, March 3—Spaghetti with hamburger and cheese, green salad, buttered spinach, apricots, milk.

Tuesday, March 4—Sirloin tips with gravy, peaches with cottage cheese, fluffed rice, buttered peas, milk.

Wednesday, March 5—Pizzaburger, celery sticks, buttered corn, applesauce, milk.

Thursday, March 6—Lima beans with butter, cabbage salad, buttered corn, muffins, milk.

Friday, March 7—Tuna loaf, green salad, buttered peas, fruit jello, milk.

Monday, March 10—Spanish rice, green salad, buttered spinach, applesauce, milk.

Tuesday, March 11—Spoon burger with muffins, celery sticks, French baked potatoes, milk.

Wednesday, March 12—Beans, cabbage salad, buttered carrots, cornbread, milk.

Thursday, March 13—chicken rollup with gravy, carrot sticks, buttered peas, fruit cup, milk.

Friday, March 14—Open toasted cheese sandwiches, celery sticks with peanut butter, succotash, fruit jello, milk.

NEWS NOTES FROM TAHOE

by MYRTLE CARNELL

Firemen's Ball

The annual Firemen's Ball will be held at the Tahoe Inn on March 15 at 8 p.m. and should prove to be a very gala occasion. The planning is advancing nicely and the committees have been appointed. Tom Sheehan and Bill Connors are

on the prize committee, Bill Bechdolt and Harold Farr, decoration; Don French and Bob Jorgensen, tickets; Dick Carnell and Glen Miller, food; Pete Vanni and Bob Stark, co-chairmen. The wives of the firemen will take care of the preparation of the food which will be served buffet style. The decorations will be worked on by the firemen and their wives. An orchestra, favors and door prizes will all be part of the St. Patrick's Ball. The department as a group sent out letters requesting contributions from the residents of this

area both summer and winter and would appreciate replies as soon as possible. The firemen would like to mention that the fire truck is a piece of equipment which belongs to the volunteer firemen and not the fire district and will be used not only in the district but wherever and whenever it may be needed. A thank you is sent from the firemen to all of the ladies who did such a terrific job of decorating last year and hope that they will again help out this year. Some of the other ladies will be called upon for help and their cooperation will certainly be appreciated.

First Aid Classes

The first aid classes under the supervision of Marie Henry have been completed. The refresher course of the Standard American Red Cross first aid was completed on November 25 with Odd Hodnev, Kiell Rustad, Al Henry and Melvin Jones finishing required number of hours, and those completing the beginning Standard American Red Cross course were: Mrs. Yvonne Bechdolt, Harold Farr, Pauline Keehn, William Keehn, Les Spitsen, Pete Vanni and Norman Wilson. This course was completed on February 18 and because of the many requests by the above people for an advanced course in first aid, Marie has decided to begin advanced lessons sometime in April. This advanced course will require a minimum of 16 hours of lessons. Also on her agenda for sometime this spring is a junior course for members of the Boy Scouts from the seventh to ninth grades of from ages 12 to 14. She is giving this course at the request of Chris Burner, scoutmaster who feels it is an essential part of the Scouts' training.

Skiing, Yes, But Water Skiing?

The other afternoon when the sun was brightly shining the residents of Tahoe City and a few wide-eyed tourists were treated to quite a surprise. Out on the lake could be seen a young girl attired in swimming suit weaving back and forth on water skis. This brave young lass was Debbie Bradley and along with her were her father, Ray, who was driving the boat and her brother, Lynn, who later took his turn at the skiing. Before this skiing could be done Debbie and Lynn had to spend several hours digging the boat out of drifts of snow. Who says that today's youngsters aren't as robust and adventuresome as those of yesteryear.

Blue and Gold Dinner

Cub Scout Pack No. 27 of Tahoe City had its annual blue and gold dinner and it was a big success. Everyone enjoyed the hot dishes, salads and desserts brought by the families. Solvig Beavers led the Cubs in several rousing songs before dinner.

Awards for advancements and special welcome to four new families were given by Scoutmaster Chris Burner, also announcements of activities to come.

Special thanks to George Selkirk for the showing of moving pictures of a previous pack meeting. The den mothers did a very nice job on the decorating and planning and there was plenty of help in the serving and with the cleaning up afterwards. The Den Mothers would have to love boys to work so hard, they are the mothers that

Serves the family...

and business, too!

The 'Jeep' Utility Wagon serves as a roomy, comfortable, family station wagon—or, with the extra traction of its 4-wheel drive, takes you wherever work or recreation leads you, through mud, sand and soft earth—on or off the road, in good weather or bad. For travel at highway speeds, it shifts easily into conventional 2-wheel drive. It carries six people or up to 110 cubic feet of bulky cargo. For fast, easy cleaning the interior is washable.

HOW TO DRIVE

A tip from the AAA's driving guide for adults.

HIGHWAY HYPNOSIS

The high-speed expressway network that is being built throughout the country will solve many of our worst traffic problems. At the same time it will create new problems for many drivers, one of the most important of which is to stay alert while driving mile after mile on broad, straight, level roadway. The constant purr of the engine, hum of the tires, sameness of the scenery, and general monotony can bring about a sub-alert state in drivers known as "highway hypnosis." It's a deadly master, and people under its spell have been known to drive right off broad, straight roads, plow into other traffic, and even doze at the wheel.

HOW TO DRIVE, the AAA's book for adult drivers, contains these tips that will help you avoid "highway hypnosis": eat light meals, wear comfortable clothes, avoid heavy smoking, get plenty of fresh air, sing, talk with your passengers, listen to a lively radio program, and stop every hour or two whether you feel like it or not. When you stop, walk around, exercise or have a cup of coffee. Do everything you can to keep alert.

make our pack No. 27 the success that it is. All of the decorations were in blue and gold, and the placements, napkin holders and centerpieces all were made by the boys at previous den meetings. I think that all of the adults that show interest in the young people of this community as was shown at this dinner are to be thanked by all of us.

Catholic Churches

Father O'Neill and Father McAllister would like to extend a loving welcome to all to attend the Lenten services which began this past week and will continue until Easter Sunday.

Assumption Church in Truckee—Mass every morning, 8:30; evening devotions, Wednesday and Friday evenings at 8 p.m.

Corpus Christi in Tahoe City—Mass Wednesday and Friday mornings, 8:30; devotions on Friday at 8 p.m.

Lady of the Lake in Kings Beach—Mass Tuesday at 9 a.m. and devotions, Tuesday at 8 p.m.

Tahoe Items

A winter address change is that of Mrs. M. Olinghouse from Crystal Bay, to Oklahoma.

LAKE LEVEL

TAHOE CITY—The level of Lake Tahoe Monday stood at 6227.62 feet with only 32 cfs of water leaving the gates. There were 25 inches of snow on the ground Monday.

TNT TIDINGS

by NANCY WATTS

The contestants in the Lions Club student speakers contest were judged last Monday after school. Judges were Miss Winifred Collins, Mrs. Thelma Meiss, Minor Rootes, Gene Goodrich, members of the high school faculty, and C. W. Sciutto, principal at TNT. Out of 11 contestants, Varlen Frey, Luisa Sciutto, and Nancy Watts were chosen to speak to the Truckee Lions Club while Bev Gunkel, Marilyn Plavel, and Bob Williams will speak in front of the Kings Beach Club. The winners from these clubs will compete in the district finals in Grass Valley.

Several students will go to Sacramento Saturday in order to participate in the annual student leaders conference there. Schools from all over northern California are expected to send representatives to this gathering, in which they will exchange ideas and methods of working together.

Deficiency notices are due to be received soon, as we are nearing the half-way mark for this quarter. They may remind some students that their work is not up to par. Being warned this early may give people who are doing failing work a chance to raise their grades in the next four and one-half weeks. Here's hoping everyone gets passing marks this quarter.

POKEY DRIVERS ARE WARNED BY PATROL

Drivers who persist in driving in the wrong lane on multi-lane highways, and those who poke along in traffic on two-lane roads can expect strict enforcement action by the California Highway Patrol.

This statement was made today by Sergeant F. H. Snyder of the Truckee substation office of the patrol.

"Our enforcement action against such driving errors is continuing unabated," stated Sergeant Snyder. "Drivers on multi-lane highways should keep in mind the law requires them to drive in the right-hand lane except when overtaking and passing another vehicle or preparing to make a left turn."

"The law also requires drivers to move with the normal flow of traffic," the sergeant said. "These laws are easily understood and should elicit continued obedience."

"Anyone desiring more information on this and other pertinent traffic laws are invited to stop by the patrol office at the Tahoe-Truckee Y," he concluded. We will

SALES SHOW GAIN IN NEVADA COUNTY

SACRAMENTO (CNS) — Forty-two California counties, including Nevada showed gains in sales subject to the state's 3 percent sales tax during the third quarter of 1957, the state board of equalization reported.

Total gain for the state was 5.1 percent over the July-September period of 1956, although revenues from sales tax fell far below projected estimates of the state department of finance. For the last six months of 1957, sales tax revenues were off some \$15 million, due largely to less than anticipated sales of new automobiles.

Taxable transactions for Nevada County totaled \$5,450,000 during the three-month period, netting \$163,000 in sales and use taxes. This was 5.5 percent from the 1956 third quarter and amounted to .11 percent of the state total.

be glad to answer questions on any phase of driving or traffic rules.

"We also have pamphlets on driving rules which may help."

RESOLUTION 58-4

A RESOLUTION DETERMINING THAT AN AIRPORT DISTRICT SHOULD BE FORMED IN PLACER AND NEVADA COUNTIES, FIXING THE BOUNDARIES OF SAID DISTRICT AND CALLING AN ELECTION FOR THE PURPOSE OF DETERMINING WHETHER OR NOT IT SHOULD BE FORMED AND FOR THE SELECTION OF PERSONS WHO SHALL SERVE AS DIRECTORS OF SAID DISTRICT IF IT IS FORMED.

WHEREAS, the Board of Supervisors of the County of Nevada, State of California, duly and regularly passed a Resolution of Intention to Form an Airport District in the Counties of Nevada and Placer on the 14th day of May, 1957, pursuant to the provisions of the California Airport District Act; and

WHEREAS, the Board of Supervisors of the County of Placer, State of California, duly and regularly passed a Resolution of Intention to Form an Airport District in the Counties of Nevada and Placer on the 14th day of May, 1957, pursuant to the provisions of the California Airport District Act; and

WHEREAS, the boundaries of said District were submitted to the Nevada County Boundary Commission and the report of said Commission was filed with the Board of Supervisors approving said boundaries; and

WHEREAS, both the Board of Supervisors of the County of Nevada and the Board of Supervisors of the County of Placer fixed the boundaries of said proposed Airport District as the same boundaries of the existing Tahoe-Truckee Unified School District existing in the Counties of Nevada and Placer; and

WHEREAS, the Board of Supervisors of the County of Nevada caused the said Resolution of Intention to be published in accordance with the provisions of the California Airport District Act; and

WHEREAS, the Board of Supervisors of Nevada County did hold a public hearing pursuant to said Resolution of Intention to consider any objections to the formation of

to too were taxed to the limit and the weather was ideal.

Been Sick

The mother of Dick Lavery has been quite sick over the past week or so. We are happy to know that there has been improvement. We hope it continues right along.

Happy Couple

Susanne Sorensen of Tahoe Vista and Roy MacMillan, Jr., of Altadena, were married the fifteenth of February at Saint James Chapel Methodist Church in Pasadena. They will reside in Altadena where Roy is connected with his father, Roy MacMillan, Sr., in the insurance business. Alice and Andy Sorensen went south for the occasion. Susanne has a son, Gregory, son of the late Ray Sorensen and grandson of Alice and Andy Sorensen.

Return

Earl Gray must think spring is here. He is here for the year now. Couple of robins, too.

Fish

Some good catches of makinau are caught lately in the lake, Fred Rockholm says.

said Airport District or to its extent within Nevada County, on June 14, 1957, and no written protests or objections were filed;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE COUNTY OF NEVADA AS FOLLOWS:

1. That the Board of Supervisors does hereby determine that said proposed Airport District should be formed in accordance with said Resolution of Intention.

2. That the Board of Supervisors hereby fixes and designates the boundaries of the proposed Airport District and its territorial extent in Nevada County as identical with the boundaries of the of the Tahoe-Truckee Unified School District, which existing description of said Tahoe-Truckee Unified School District is hereby referred to for a particular metes and bounds description of the proposed Airport District; and it is hereby found that all of the lands contained in said District and included therein will be benefited by said project.

3. That the name of the proposed Airport District is hereby designated as:

"Truckee-Tahoe Airport District."

4. That the requirements of the law requiring filing of a feasibility report be and the same are hereby waived.

5. That an election is hereby called and notice thereof hereby given, to be held in the proposed Airport District for the purpose of determining whether said Airport District shall be formed and to elect a Board of Five Directors of said District if said District is formed; that the date of said election is hereby fixed for April 8, 1958, and the polls shall be open between the hours of 7:00 o'clock A.M. and 7:00 o'clock P.M.

6. That for the purposes of said election, said election will be held and conducted at the legally designated polling places in each precinct in said proposed Truckee-Tahoe Airport District, as hereinafter set forth; and that the polling places in the several election precincts and the names of the several persons who are hereby appointed to serve as election officers for the conduct of said election and to make returns thereof pursuant to law are:

PRECINCT NO. 1—Consisting of Placer County General Election Precincts of Brockway A and B. Location of Polling Place—Kings Beach School House.

Board of Election
Inspector—Mrs. Eda Judy, P.O. Box 561, Kings Beach.
Judge—Mrs. Nellie M. Barkhurst, P.O. Box 216, Kings Beach.
Clerk—Mrs. Winona D. Hall, P.O. Box 581, Kings Beach.
Clerk—Mrs. Camilla J. Althof, P.O. Box 285, Kings Beach.

PRECINCT NO. 2—Consisting of Placer County General Election Precincts of Tahoe A and B. Location of Polling Place—Tahoe Lake School House.

Board of Election
Inspector—Mrs. Bernadette Becholdt, Tahoe City.
Judge—Mrs. Betty Anne Starratt, Box 68, Tahoe City.
Clerk—Anna M. Martin, Tahoe City.
Clerk—Mrs. Rebecca M. Shontz, Tahoe City.

PRECINCT NO. 3—Consisting of Nevada County General Election

Precincts of Truckee 1, 2A and 2B, and Donner Lake. Location of Polling Place—Truckee Elementary School House.

Board of Election
Inspector—Oscar T. Schumacher, Truckee.
Judge—Winifred Kamp, Truckee.
Clerk—Jessie A. Hellar, Box 673, Truckee.
Clerk—Donna Warnke, Box 249, Truckee.

PRECINCT NO. 4—Consisting of Nevada County General Election Precinct of Floriston. Location of Polling Place—U.S. Post Office.

Board of Election
Inspector—Francis Lewis Seymour, House No. 14, Juniper St., Floriston.
Judge—Lillian L. Miller, House No. 69, Tamarack St., Floriston.
Clerk—Clara A. Felesina, Box 98, Floriston.
Clerk—Margaret E. Craig, House No. 21, Juniper St., Floriston.

PRECINCT NO. 5—Consisting of Placer County General Election Precincts of Cisco and Summit, and the Nevada County General Election Precinct of Soda Springs. Location of Polling Place—Donner Trail School House.

Board of Election
Inspector—Mrs. Lola Schull, Norden.
Judge—Dorothy F. Bacon, Box 717, Soda Springs.
Clerk—Marie L. Strickland, P.O. Box 13, Soda Springs.
Clerk—Milton M. Hogle, Soda Springs.

7. That the County Clerk of the County of Placer shall conduct the election hereinabove called on the question of the formation of the District and the election of Directors if the District is formed.

8. The proposition to be submitted at said election shall be "Shall the proposition to form Truckee-Tahoe Airport District under the California Airport District Act be adopted?"

9. Nomination for the office of Director shall be filed with the County Clerk of the County of Placer.

10. The vote of said election cast in the said District shall be canvassed by the Board of Supervisors of Placer County on the 14th day of April, 1958, being the first Monday which is four or more days after the said election, at the Chambers of the Board of Supervisors located in the Placer County Courthouse in Auburn, California.

11. The Clerk of the Board of Supervisors of Nevada County shall cause Notice of said Election to be published as required by Section 22227 of the Public Utilities Code.

12. The County Clerk of Placer County shall cause ballots for said election to be prepared and assist the said Election Boards in the conduct of said election as may be necessary.

13. If the majority of the votes cast at the election is in favor of forming the District, the Board of Supervisors shall, by resolution entered on its minutes, declare the District duly formed under the California Airport District Act.

The foregoing Resolution was duly passed by the Board of Supervisors of the County of Nevada at a regular meeting thereof on the 3rd day of February, 1958, by the following vote on roll call:

AYES: Supervisors Smart, Bishop, Coughlan, Robinson.
NOES: Supervisors, none.
ABSENT: Supervisor Loehr.
[s] M. F. SMART
Chairman of the Board of Supervisors.

ON THE WAY—An Honest John of the 82nd Airborne Division is fired at Fort Bragg, N.C., while another of the long-range artillery rockets perches on its launcher, ready to go. Honest John is part of the arsenal of Army units in the Far East and Europe as well as in the U.S.

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA IN AND FOR THE COUNTY OF NEVADA.

**SUMMONS
 NO. 11710**

ANDREW ARMATI, Plaintiff,

vs.

PLACER COUNTY TITLE COMPANY, a corporation, as trustee of Dan Sala; DAN SALA; E. J. BRICKELL; JOSEPH GRAY; F. BURCKHALTER; J. L. LEWISON; LUN SING; TUCK CHUNG; WILLIAM PAUL THOMAS, JR.; and "also all other persons unknown claiming any right, title, estate, lien or interest in the real property described in the complaint adverse to plaintiff's ownership, or any cloud upon plaintiff's title thereto", Defendants.

Action brought in the Superior Court of the State of California in and for the County of Nevada, and the complaint filed in the office of the County Clerk of said county.

ROBERT C. SCHIFFNER and
 LYNNE KELLY,
 Attorneys for Plaintiff.

THE PEOPLE OF THE STATE OF CALIFORNIA SEND GREETING TO:

PLACER COUNTY TITLE COMPANY, a corporation, as trustee of DAN SALA; DAN SALA; E. J. BRICKELL; JOSEPH GRAY; F. BURCKHALTER; J. L. LEWISON; LUN SING; TUCK CHUNG; WILLIAM PAUL THOMAS, JR.; and "also all other persons unknown claiming any right, title, estate, lien or interest in the real property described in the complaint adverse to plaintiff's ownership, or any cloud upon plaintiff's title thereto",

DEFENDANTS.

You are hereby notified that an action has been commenced against you in the above-entitled court by the above-named plaintiff for the purpose of determining all adverse claims to and clouds upon the title to all that certain real property situate in the County of Nevada, State of California, particularly described as follows, to-wit:

Those certain portions of the Northeast Quarter of Section 15, Township 17 North, Range 16 East, Mount Diablo Base and Meridian, lying South of the Truckee River and East of Bridge Street, described as follows, viz:

PARCEL NO. 1: Beginning at an iron pipe at the South edge of a 6-foot walkway on the North side of River Avenue, from which the northeast corner of said Section 15 bears North 32° 31' East 1547.53 feet, and running thence North 64° 14' East 237.29 feet to a pipe on the South edge of walkway at the southeast corner of the lot; thence North 26° 12' West 6.00 feet to property line, 76.00 feet to pipe, 123.92 feet to pipe, 143.92 feet to the South side of the Truckee River; thence South 70° 35' West 239.20 feet along the South bank of the river; thence South 26° 12' East 10.00 feet to pipe, 94.28 feet to pipe, 170.28 feet to the South edge of walkway and the place of beginning; containing 0.82 of an acre, more or less.

ENGLE BILL WOULD GIVE GAMES HELP

WASHINGTON — Congressman Clair Engle has introduced a bill to permit personnel of the armed forces to assist in preparing facilities for the 1960 winter Olympic games to be held at Squaw Valley, Calif.

Under terms of the bill, military personnel would be assigned to prepare courses, fields and rinks, maintain avalanche control, furnish communications, and the defense

department is authorized to lend whatever equipment is necessary. The bill supplements a recent request for a \$4 million federal appropriation to help finance construction of an ice arena and other facilities.

"Participation of the federal government in the winter Olympics is a departure from the procedure followed in previous years, but the situation has changed and I think it is most important that the federal government should take an active part in the games. It is important that we have a mutual understanding and interest with other nations and the 1960 winter Olympics will help serve that purpose," Engle said.

Early Spanish explorers called California's chaparral yucca "The Lord's Candle."

NOTICE OF GOVERNING BOARD MEMBER ELECTION AND COUNTY BOARD OF EDUCATION ELECTION

One member of Sierra College Junior College District.
 One member of Tahoe-Truckee Unified School District.

Two members of Placer County Board of Education.

NOTICE IS HEREBY GIVEN TO THE VOTERS OF THE ABOVE DISTRICT OR DISTRICTS OF THE County or Counties of Placer and Nevada, California, that the Annual Election for members of the Board or Boards of the said district or districts will be held on the third Tuesday of May, namely, May 20, 1958, for the purpose of electing the number of members of the governing boards of the districts as indicated above.

The polls will be located at:
PRECINCT No. 1—Donner Trail School.

PRECINCT No. 2—Kings Beach School.

PRECINCT No. 3—Tahoe Lake School.

PRECINCT No. 4—U.S. Post Office, Floriston.

PRECINCT No. 5—Truckee Elementary School.

The polls will be kept open between the hours of 7 o'clock A.M. and 7 o'clock P.M.

The election returns will be canvassed at 10 A.M. o'clock on June 2, 1958, by the county superintendent of schools at 138 Maple Street, Auburn, California.

Deadline for the receipt of absentee ballots is May 29, 1958.

Forms for declaration of candidacy may be obtained at the office of the county superintendent of schools, 138 Maple Street, Auburn, California. The last day for filing declarations is April 18, 1958.

February 9, 1958.
ALBERT F. BEQUETTE
 County Superintendent of Schools.

All qualified voters of the school districts who were registered at least 54 days before the election in the (general election) precinct in which this election is held may vote thereat.

JOHN T. TRAUNER,
 County Clerk,
 By Jack K. Hansen,
 Deputy Clerk.

30 THEFTS AT TAHOE ARE BELIEVED SOLVED

AUBURN — Sheriff William A. Scott reported Tuesday night the cracking of a five-state burglary ring in Shelton, Wash., is expected to solve about 30 summer home burglaries at Lake Tahoe.

Scott said he had been notified that Donald F. Deyoe, James Angevine and his wife, Marian, all of Seattle are under arrest in three cities charged with committing more than 200 burglaries, including 30 in Placer and El Dorado counties at Lake Tahoe.

NEVADA COUNTY GETS HIGHWAY USE TAXES

State Controller Robert C. Kirkwood announced that highway users taxes totaling \$26,711,760 were apportioned in January for California counties, cities and the state highway fund for expenditure on highways.

The following apportionments of taxes received in December, 1957, were made last month: Counties, \$6,432,818; state highway fund for distribution to cities, \$2,505,506 and state highway fund for expenditure on highways, \$17,773,884.

Nevada County's share amounted to \$23,407.26, Kirkwood said; Placer \$40,533.84; Sierra, \$14,642.07; Yuba \$24,374.38.

The total apportionment for January showed an increase of \$2,508,575, or 10.36 percent, over the amount distributed in the preceding month. The current total was up \$1,955,222, or 7.9 percent, from the amount apportioned in the same period last year.

Family Party—The birthdate of Anna Maria Collier is being celebrated within the John Collier family today. On March 9 the couple's twin sons, John and Charles will have their dual date.

Troops At Olympics For Training Only

Use of members of the armed forces in support of the 1960 Olympic winter games at Squaw Valley, will be confined to the development of military techniques in mountainous and cold weather areas and under no conditions will defense department personnel be used as "labor battalions."

This was emphasized today by Robert Di Giorgio, executive vice-president of the games' organizing committee, to eliminate misunderstanding over a bill introduced in both houses February 10 requesting armed forces' support in various activities dealing with the games.

"Some apparently have the idea that soldiers and sailors will be used to construct facilities at Squaw Valley," Di Giorgio said. "Nothing could be further from the truth. The arena and all the other facilities will be put out for competitive bid by local contractors and all work will be done by union labor."

"The role of the military will be limited to such activities as avalanche control, communications, the testing of courses and the lending of necessary equipment, including mortars and other gear not available through civilian outlets."

The plan calls for approximately 160 army personnel, and a smaller navy force, to utilize techniques and information gained by research in snow and mountain conditions.

The navy is presently conducting snow compaction tests at Squaw Valley.

OLYMPIC GROUP IS FORMED AT CAPITAL

SACRAMENTO—Mayor Azevedo has accepted chairmanship of a civic committee to be appointed in connection with the 1960 winter Olympic games to be held in Squaw Valley.

The committee will consist of four or five leading citizens, with several subcommittees to be named to cover matters such as housing, decorating, and reception.

The committeemen will meet with Allen Ewen, assistant to the executive director of the Olympics, and Louis P. Spitz, housing director for the Olympics Organizing Committee, February 28 at 3 p.m. in the city hall. It was Spitz who asked that the mayor organize a local committee.

In accepting the chairmanship, Azevedo noted that the major athletic event is expected to attract worldwide interest to northern California and City of Sacramento.

BANK IS MEMBER OF IMPROVEMENT GROUP

Bank of America's active membership in the Home Improvement Council for 1958 was announced today by Lee H. Apple, manager of the Truckee branch.

Apple explained that the council is a national, industry-wide organization devoted to the promotion of better living for homeowners. Members include manufacturers, suppliers and dealers, contractors, utility companies, banks, architects, decorators and others who are uniting in a year-long campaign to encourage homeowners' plans for repairing, improving and remodeling.

LINDA LLOYD, MIKE VIEU ARE MARRIED

Mr. and Mrs. John E. Lloyd announced the marriage of their daughter, Miss Linda Lloyd to Michael Vieu last Friday at a quiet ceremony performed at Reno.

A dinner was enjoyed by the wedding party following the nuptial rites and included the bride's parents, Mr. and Mrs. Lloyd; Mr. and Mrs. William Birdsell of San Francisco, step-father and mother of the bridegroom; Kenneth Lloyd and Rolland Gautsche.

The newlyweds have both attended local schools and are well known in the younger set. Vieu is employed by the Truckee Public Utility District and they plan to establish their home here.

Mrs. Vieu will be the guest of honor at a bridal shower this weekend, to be given by friends at Yountville, her former residence.

tors, utility companies, banks, architects, decorators and others who are uniting in a year-long campaign to encourage homeowners' plans for repairing, improving and remodeling.

One of the council's major purposes is to inform local homeowners through special community projects and educational program, where to turn for assistance in implementing ideas for adding to the comfort, convenience, beauty and value of their homes.

The branch manager said low-cost loans up to \$3500 are available, with repayment terms as long as three years. All types of improvements which become a part of a home are eligible, including built-in appliances, air conditioning, remodeled kitchens and major items such as adding to a garage or a room.

GREAT BOOKS CLUB TO MEET MARCH 12

The Great Books Discussion Group will have David Ashbrook of San Francisco as its guest leader for the March 12 meeting. Ashbrook is regional director for the Great Books Foundation and while here will demonstrate the great books' technique of leadership and discussion.

The subject for this discussion is Mark Twain's "Adventures of Huckleberry Finn" and is the first fictional work of American literature to be studied by the local group. The discussion begins at eight o'clock in the high school library. Interested readers who have thought of visiting and participating in the group discussions are welcome to attend this meeting.

Ashbrook's visit is significant in that he will be the first official representative of the foundation to visit the Tahoe-Truckee Great Books Discussion Group.

PAJAMA GAME WILL BE ON LOCAL SCREEN

Theatergoers who have been looking forward to seeing The Pajama Game will have that opportunity Sunday and Monday when it appears at the Donner Theater. Pajama Game stars its original Broadway cast, Doris Day, John Raitt, Eddie Foy, Jr. and others and is rated as one of the best plays produced by Warner Brothers.

Spoilers of the Forest, the last frontier of an untamed woman and fighting men, leads the bill tonight when Rod Cameron and Vera Ralston play in the leading roles in this romantic, exciting story of timberland. The Devil's Hairpin, a thrilling racing car story with Cornell Wilde and Jean Wallace will be at the Donner Friday and Saturday and next Wednesday George Montgomery stars in Pawnee, a thrilled packed drama of the western plains.

PATROL WARNS ON PASSING SCHOOL BUS

Do not pass a school bus stopped on a rural highway with red lights flashing warns the California Highway Patrol.

"When the red lights on top of a school bus are flashing, it indicates children are about to cross the road at that point," stated Sgt. Frank H. Snyder of the patrol's Truckee substation. "Motorists approaching such a school bus from either direction are required to stop and wait until the lights are turned off before proceeding."

"An exception is when the bus is on the opposite portion of a divided highway," Snyder said. "Although motorists are not required to stop before passing a stopped school bus without red lights flashing, it is smart to slow down and be prepared for any emergency."

"Frequently, children do the unexpected," the sergeant continued. "Adults must use extra caution when driving in or near school zones or anytime school children are near the street or highway."

Youngs To Fremont—The George Young family has changed its address from Truckee to Fremont, Calif.

To Observe Date—Mrs. C. B. White will observe her birthdate tomorrow.

Today—Mr. and Mrs. Harry Eaton are having a family observance today for their son, Dale, who is celebrating his birthdate.

Korea's climate is similar to that of northeastern United States.

The periodical cicada is often erroneously called the 17-year locust.

Pakistan came into being as a sovereign, independent state on August 14, 1947.

APPLICATIONS FOR DONNER SKI RACE ARE BEING RECEIVED

SODA SPRINGS—Applications are coming in rapidly for the Donner Trail Memorial Race to be held on the 26-mile course between Donner Summit and Rancho Sierra at Emigrant Gap on March 29.

The first to be received is from Sheldon Varney of Lake Tahoe—three time winner of the Snow Shoe Thompson race, the 21-mile marathon held at Lake Tahoe each year. It is hoped that Sven Johansen of Anchorage, Alaska now in Finland, will return to defend his title of champion of the Donner Trail event.

Johansen's time of 3:31.25 in 1954 was pushed into oblivion by his time of 2:48.34 in 1955—the all time record for the course.

A trophy fund raising party will be held at Beacon Hill Lodge, Soda Springs on Highway 40 on March 2 at 5:30 p.m. Various ski shops in the Donner area will provide prizes. It is expected that several hundred skiers will be in attendance.

Race applications are available and may be secured from Fran Couillard, Soda Springs, or from District Ranger Paul Madden, Big Bend District, United States Forest Service, Soda Springs.

MISS JESSI RABLIN TO WED FOLSOM MAN

The betrothal of Miss Jessi Rablin of Roseville to Raymond Frates of Folsom was revealed at a luncheon given at the home of her parents, Mr. and Mrs. John Rablin. A summer wedding is planned.

A table centerpiece of camellias with ribbons extended to each place setting ending in an individual corsage for the guests. A ring and scroll in the attractive arrangement told of the engagement.

Miss Rablin who formerly attended local schools is a senior in Roseville High School where she is immediate past president of the J.U.G. co-editor of the annual and song-leader. The family comes here each summer where they have many friends, who were happy to learn of the coming marriage.

Mrs. O. J. Rablin, aunt of the bride-to-be was present to assist the hostess.

Frates is a son of Mr. and Mrs. Raymond H. Frates of Folsom where he graduated from high school, prior to his employment at Aerojet.

Marriage Licenses

Robert C. Elliott, 23, of Tahoe Vista and Carolyn Wallin, 20 years of age from Salt Lake City, Utah, were issued a marriage license at Las Vegas, Nev.

Charlene Kisor, 16 years old from Norden and William L. Chism, 21, of Lincoln, were issued a license to wed at Auburn.

TWO OMINOUS FIGURES HID IN THE FOLIAGE BY THE RIVER, EQUIPPED FOR A DEADLY MISSION--

Tarzan

by EDGAR RICE BURROUGHS

THUS, WHEN OLU DRIFTED INTO VIEW, A MURDEROUS MARKSMAN FIRED HIS RIFLE!

"THAT DOES IT!" THE KILLER EXCLAIMED TRIUMPHANTLY. "NOW WE MUST ACT FAST!"

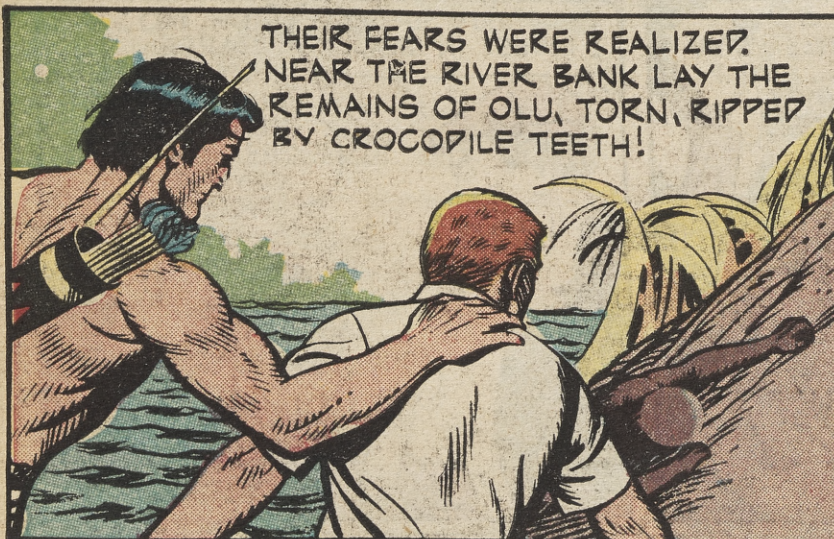

...MUCH LATER, AT PHELP'S CAMP, "I'M WORRIED," SAID GLENN. "OLU SHOULD HAVE RETURNED BY NOW." TARZAN AGREED, "LET'S FIND OUT."

THE TWO FRIENDS TROTTED INTO THE JUNGLE, SEARCHING WARILY, APPREHENSIVELY. "LOOK!" CRIED THE APE-MAN IN DISMAY.

3-2-1408

THEIR FEARS WERE REALIZED. NEAR THE RIVER BANK LAY THE REMAINS OF OLU, TORN, RIPPED BY CROCODILE TEETH!

"LET'S GO TO THE STATION AND SEE IF OLU HAS DELIVERED THE LOG," SAID TARZAN GRIMLY. "IF NOT, I WANT TO ASK A FEW QUESTIONS!"
